The following information supplements and updates the information contained in the Preliminary Prospectus.

<b>Common stock offered by us</b>	6,000,000 shares
<b>Common stock to be outstanding immediately after this offering</b>	21,588,756 shares (22,488,756 shares if the underwriters exercise their option to purchase additional shares in full).
<b>Class A common stock outstanding before this offering</b>	Zero shares.
<b>Class A common stock outstanding after this offering</b>	3,819,732 shares
<b>Underwriters’ option to purchase additional shares</b>	900,000 shares of common stock
<b>Offer price</b>	\$14.00 per share
<b>Pricing date</b>	Wednesday, April 17, 2019
<b>Expected closing date</b>	Tuesday, April 23, 2019
<b>Indications of interest</b>	Certain of our existing stockholders, directors and their affiliated entities have indicated an interest in purchasing an aggregate of up to approximately \$55.0 million in shares of our common stock in this offering at the initial public offering price per share and on the same terms as the other purchasers in this offering. However, because indications of interest are not binding agreements or commitments to purchase, the underwriters could determine to sell more, fewer or no shares to any of these potential purchasers, and any of these potential purchasers could determine to purchase more, fewer or no shares in this offering. The underwriters will receive the same underwriting discount and commissions on these shares as they will on any other shares sold to the public in this offering.
<b>Other information</b>	In connection with the initial public offering, one of our stockholders and its affiliated fund elected to convert all 3,819,732 shares of the preferred stock held by such stockholder and affiliated fund into 3,819,732 shares of class A common stock, which is non-voting. Therefore, a total of 3,819,732 of shares of Class A common stock will be outstanding following the closing of this offering.
